Sir:

**DECLARATION OF KIRK D. PRALL, ROBERT KERR, CHRISTOPHER  
MURPHY AND D. MARK DURCAN UNDER 37 C.F.R. § 1.131**

We, Kirk D. Prall, Robert Kerr, Christopher Murphy and D. Mark Durcan,  
declare that:

1. We are the inventors of the subject matter claimed in the above captioned patent application;
2. The subject matter was conceived and reduced to practice before September 6, 1994. The pertinent dates are noted in the Invention Disclosure No. 94-0155 we submitted in May 1994. A copy of the Invention Disclosure No. 94-0155 is attached to this Declaration.
3. All of our activities related to this invention took place in the United States.
4. At the time of our invention, we were under an obligation to and we did assign the invention to Micron Technology, Inc.

I declare that all statements made in this Declaration of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the patent application or any patent issued on that application.
